

TSL - Employers Hiring Sewing 1

The Sewing Labs partners with local companies to keep students and connected sewists aware of the jobs available in the KC marketplace. The Sewing Labs has vetted these companies for the following; job descriptions and sewists qualifications, general job safety & on- site tours.

The Sewing Labs does not guarantee job placement or work conditions but feels that these are fair and honest employers. Any sewist applying for a job accepts the responsibility to find out all wages, benefits, and company culture before accepting a job offer. Any employer is responsible for interviewing and checking sewing skills of applicants before hiring a sewist.
